

Firefighter REHAB Vest, Flag & Accountability Kit

by DMS

DMS-06306

The DMS Firefighter REHAB Vest, Flag & Personnel Accountability Kit was created to support rehabilitation operational guidelines. This kit provides the Incident Commander with the vesting, flagging and admissible documentation recommended to establish a "REHAB Group" within the Incident Command System.

Contains the Following:

- 5 ANSI Class II Breakaway Position Vests & Responsibility Cards on Clipboards
- 7 Flags
- DMS-06200 Firefighter REHAB Accountability System (See Below)
- Durable Carry Bag

Flags

- REHAB Group
- Check-in/Check-out
- Equipment Drop
- Vital Signs/Monitoring
- Rest & Hydration
- Medical Evaluation/Treatment
- Reassignment

ANSI Class II Breakaway Position Vests

- REHAB Manager
- REHAB Check-in/Check-Out
- REHAB Vital Signs/Monitoring
- REHAB Medical Evaluation/Treatment
- REHAB Reassignment

REHAB Personnel Accountability System

NFPA 1584

More Than Just a Standard

A commitment to proper firefighter rehab is a commitment to your personnel's health and safety. Developing an effective process, however, can be challenging. The DMS-06200 Firefighter Rehab System is 2015, 1584 compliant. It provides a simple, scalable method to deploy incident rehabilitation with the required documentation and accountability.

Intuitive Workflow-based Design:

- Simplifies rehab into a simple step-by-step process
- Self-teaching system is easy to learn and easy to use
- Ensures proper & effective rehabilitation of personnel
- Meets all updated NFPA 1584 process requirements
- Includes quick-reference to 1584 charts and SOPs

Accurate Accountability Procedure:

- Numerical matching color-coded check-in/release process
- Log multiple crews or individuals simultaneously
- Logs & tags provide a permanent record of rehab activity
- Bar-coded enabled tags allow for integration into ePCRs

DMS-06200

Tag-driven System for Optimized Rehab:

- Eliminates issues of marker based accountability systems
- Tags are proven to keep members in rehab until released
- Rugged waterproof tags resist misting, rain and sweat
- Name / tag number correlation provides HIPPA privacy
