BRACKET PRO SERIE® 76 PX SMT

MOUNTING SYSTEM THAT SECURES THE PHILIPS TEMPUS® PRO MONITOR
WITH SMART MOUNT

SAFETY AND FLEXIBILITY WHERE IT MATTERS MOST

The Bracket Pro Serie 76 PX SMT is designed to secure the Philips Tempus Pro monitor with its Smart Mount and optional accessory bags. Intended for ground EMS transport, the bracket keeps the medical device lightweight and portable.

The Bracket Pro Serie 76 PX SMT is tested in compliance with SAE J3043, the highest industry safety standards for Emergency Medical transport.

At Technimount EMS, we understand that EMS and critical care transport teams require solutions they can rely on. We design and develop quality mounting systems that are safe and flexible, allowing you to concentrate on what matters most-patient care.
