

CENTURION®

EME-BAG®

Unique Emesis Containment System
Helps Eliminate Spills and Odor

The Centurion Eme-Bag is better and more convenient than a basin for capturing emesis. The Eme-Bag is a closed containment system that traps spills and odors, helping caregivers and patients avoid unpleasant smells and mess.

A biodegradable version is also available - our exclusive Eco-Eme-Bag™.

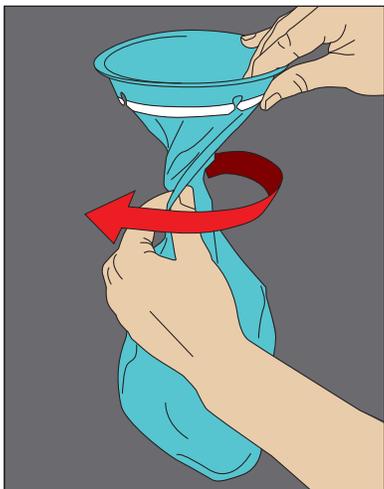

Ideal For:

- Oncology
- Recovery Room
- Radiology
- Outpatient Clinics
- Pediatrics
- PACU
- Home Health Care
- Labor and Delivery
- Emergency Department
- Ambulances

BENEFITS FOR CAREGIVERS, HOSPITALS AND PATIENTS

- Better than basins - captures vomit completely, helping patients and caregivers avoid smell and mess
- Prevents spills and costly linen changes
- Easy to use - twist closed, hook into notch, and dispose
- Eliminates caregiver and patient contact with emesis
- Convenient dispensers available
- Latex free

EMESIS CONTAINMENT SYSTEM IS EASY TO USE

Convenient dispenser available
