

PRODUCT SUMMARY

See it all with the battery powered Nomad® Transformer® Scene Light. This light extends up to 12.5 ft (3.8 m) tall and delivers up to 16,000 lumens. It is a cordless, rechargeable LED light that can operate as a spotlight, flood light, or 360° scene light with a run time of up to 24 hours. The Transformer® is our tallest and brightest scene light for large scale events where portability and silent operation are key.
